Mail Stop Amendment  
Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

**RESPONSE TO RESTRICTION AND ELECTION REQUIREMENT**

Sir:

This Amendment is filed in response to the Election of Species Requirement dated July 24, 2007 issued by the United States Patent and Trademark Office in connection with the above-identified Application. A response to the July 24, 2007 Office Action is due August 24, 2007. Accordingly, this Response is being timely filed.

Claims 1-25 are pending in this application. In the Office Action dated July 24, 2007, the Examiner advised that the application contains claims directed to two three patentably distinct species as follows:

- Species 1 – figures 1 and 2;
- Species 2 – figure 3; and
- Species 3 – figure 4.

The Examiner stated that these species are distinct because each species has different structural elements, and requires under 35 U.S.C. § 121 that a single disclosed species be elected for prosecution on the merits, and a listing of the claims that are readable thereon, to which the claims shall be restricted if no generic claim is held to be allowable. Currently, claim 1 is generic.

APPLICANT(S): SELLARS, Robert  
SERIAL NO.: 10/525,233  
FILED: October 11, 2005  
Page 2

In response, Applicants elect the species covering figures 1 and 2 for prosecution on the merits. Applicant also advises that claims 1-17 and 22 are readable on this species.

If the Examiner has any questions or comments as to this response, the undersigned may be contacted at the address and telephone number below.

Please charge any fees associated with this paper to deposit account No. 50-3355.

Respectfully submitted,

Morey B. Wildes
